Tribute from Dale & Gail Franklin

Relation: Long time friends

We have so many good memories of Danny over the years from camping trips in the US and BC, where Danny came face to face with a bear, to a trip the guys took around the Bowron Lakes, etc. No one could tell a story quite like Danny and his encounter with a turkey on the #1 may have trumped them all. And, although we had heard Danny sing in various groups over the years, we were not aware of such a gifted voice until the night we sat in front of you and Danny in church. Our sincere condolences to you and your family Lois, grateful for the hope we have in Christ.
